

McNair Graduate Assistantship Program

Full
tuition + fee waiver

Tuition and fee waiver for up to two years for masters students and four years for doctoral students. This award also includes a stipend to help with living expenses in exchange for departmental service.

Current Ronald E. McNair undergraduate scholars and McNair alumni are eligible for this program. In addition to the tuition and fee waiver, recipients of the service stipend will receive a research assistantship (one semester for masters students and two semesters for doctoral students) during which they will be free of departmental service obligations.

McNair scholars and alumni apply free!

Select the fee waiver option when completing the online application to save \$50. Ask your McNair director to e-mail a memo confirming your McNair status to ApplyGrad@MiamiOH.edu. Upon receipt of the memo, your waiver will be approved and your application officially submitted. Questions? Contact Dr. Valerie Robinson at robinsro@MiamiOH.edu.
